Approach angle front / rear (°)	20 / 32	BRAKES	
Ramp Angle (°)	20	Disc brakes front/rear (mm)	302x26 /268x12
ELECTRIC MOTOR			
Power, max. (kW/hp)	115 / 156		
Torque (max)	Nm 260		
DRIVING PERFORMANCE			
Top speed km/h	150		
Acceleration (0-100 km/h in sec.)	9.0		

Car Warranty 5 years or 100,000 Km, whichever occurs first

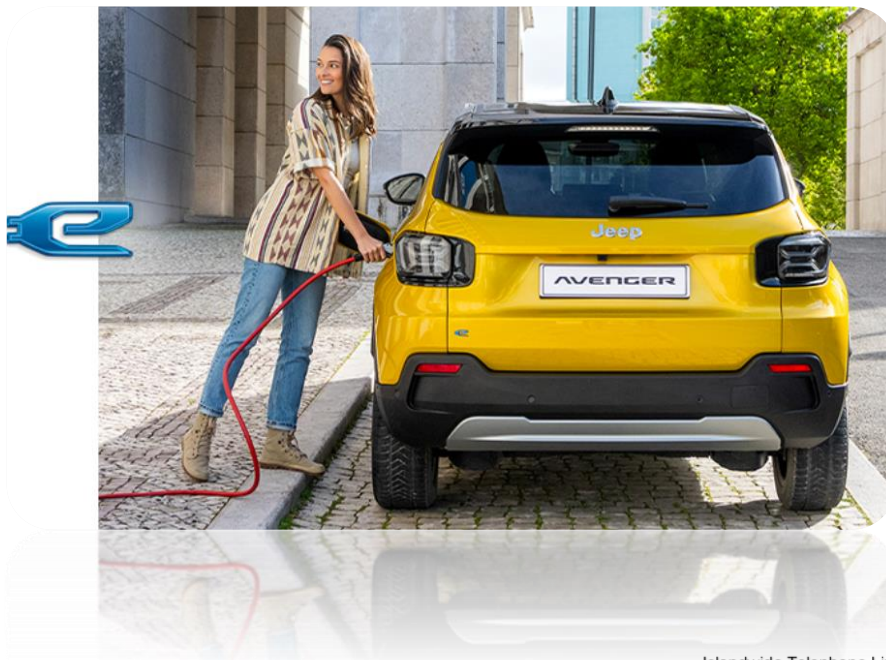

The high-voltage lithium-ion storage battery is guaranteed for 8 years or 160,000 km, whichever occurs first

Specifications are based on the latest product information available at the time of publication

Some features and/or applications may be late availability

Specifications and Prices are subject to change at any time without notice and do not bind the company in any way (05 February, 2024)

The values indicated for fuel consumption and CO₂ emissions are measured by the manufacturer on pre-approval tests, according to the WLTP procedure (EU Regulation 2018/1832), and may be subject to modification depending upon the definitive homologation
